B.B. King, How Blue Can You Get

Ive been down hearted baby Ever since the day we met I said ive been down hearted baby Ever since the day we met Our love is nothing but the blues Baby, how blue can you get? Youre evil when im with you, baby And youre jealous when were apart I said youre evil when im with you, baby And youre jealous when were apart How blue can you get baby The answer is right here in my heart I gave you a brand new ford But you said: i want a cadillac I bought you a ten dollar dinner And you said: thanks for the snack I let you live in my pent house You said it just a shack I gave seven children And now you wanna give them back I said ive been down hearted baby Ever since the day we met Our love is nothing but the blues Baby, how blue can you get?
