B.B. King, Hummingbird

Sometimes I get impatient but she cools me without words and she comes so sweet and so plain my hummingbird and have you heard that I thought my life had ended but I find that it? just begun cause she gets me where I live I?I give all I have to give I? talking about that hummingbird oh she? little and she loves me too much for words to say when I see her in the morning sleeping she? little and she loves me to my lucky day hummingbird don? fly away

When I? felling wild and lonesome she knows the words to say and she gives me a little understanding in her special way and I just have to say in my life I loved a woman because she? more than I deserve and she gets me where I live I?I give all I have to give I? talking about that hummingbird oh she? little and she loves me too much for words to say when I see her in the morning sleeping she? little and she loves me to my lucky day hummingbird don? fly away
