

# B.B. King, I Love You So

Oh my darling I was so lonely  
Searching for you and for you only  
Oh my darling I love you so

Oh my darling my love is true  
Longing for you, no one else will do  
Oh my darling I love you so

When I first saw you dear I knew you were alone  
I said to myself that I'd make you my own  
Your brother caught us kissing  
I thought he would surely tell  
Until he started playing those wedding bells

Now my darling I'm yours forever  
Don't ever leave me, leave me never  
Oh my darling I love you so

Oh yes it's true, now I have you  
And best of all I know now  
That I'll never have to be blue  
Oh baby, I love you so

I mean you, baby
