

# B.B. King, If I Lost You

You're the greatest thing in my life, baby  
Without your love, baby  
I don't know just what I would do  
Years of loving you, you've been so true  
I believe I'd lose my mind if I lost you

I guess I've been lucky to have someone so dear  
To talk and laugh and always bring me cheer  
After all of these years you've been so true to me, baby  
I believe I'd lose my mind if I lost you

After all of the lies I've told you  
Just like giving you the stars  
And buying you mink coats  
Mink coats and diamonds, baby  
Money in the bank and each year  
Each year two brand new cars

You're the greatest thing in my life, baby  
Between me and you I know I've got the best deal  
Let me thank you, baby, you've been so true  
I'd lose my mind if I lost you
