

# B.B. King, May I Have A Talk With You

Now now, my darling  
Can I have a little talk with you  
Oh now now now now, darling  
Can I have a little talk with you  
You know I don't think it will be long  
Before our love is through

Yes, tell me, darling  
Am I right or am I wrong  
Oh tell me, tell me, tell me  
Am I right or am I wrong  
I just wanna know, baby  
When are you coming home

Hey, listen to me, baby  
While I hold your hand  
Hey, listen to me, baby  
While I hold your hand  
Don't want nothing  
I just wanna be your man

When darkness falls  
I'm so all alone  
Yes, yes, my darling  
I'm so all alone  
And you know I wouldn't be, baby  
If I knew when you were coming home

Hey, listen to me, baby  
Honey, while I hold your hand  
Hey, I want you to listen to me, baby  
Honey, while I hold your hand  
I don't want nothing  
I just wanna be your man

Your smiles are my happiness  
Your sorrow are my tears  
Oh your smiles are my happiness  
And your sorrow are my tears  
If you just whisper love to me, baby  
You know it'll live on through the years  
Yes, it will
