

# B.B. King, Please Send Me Someone To Love (W

Heaven please send to all mankind  
Understanding and peace of mind  
If it's not asking too much  
Please send me someone to love, someone to love  
Show the world how to get along  
Peace will enter when hate is gone  
So if it's not asking too much  
Please send me someone to love, someone to love  
Nights I lay awake and ponder the world's troubles  
And my answer is always the same  
Yet unless man puts an end to this damnable sin  
Hate will put the world in a flame, what a shame  
Just because I'm, because I'm in misery  
I don't ask for no sympathy  
But if it's not asking too much  
Please send me someone to love  
Nights I lay awake and ponder the world's troubles  
And my answer is always the same  
Yet unless man puts an end to this damnable sin  
Hate is gonna put the world in a flame, oh what a shame  
Just because I'm, because I'm in misery  
I don't ask for no, no, no sympathy, yeah  
But if it's not asking too much, asking too much  
Please send me someone to love  
Please, please, please send me someone to love  
Send me someone to love, yeah
