

# B.B. King, Sloppy Drunk

I'd rather be sloppy drunk than anything I know  
I'd rather be sloppy drunk than anything I know  
Another half a pint, then you'll see me go

My gal done quit me, for somebody else  
Oh my gal done quit me, for somebody else  
Now I'm sloppy drunk again  
Sleeping all by myself

Oh I love my whiskey  
Tell the world I do  
Oh I love my whiskey  
Telling the world I do  
And my reason for drinking'...  
Tryin' to get along with you

Oh I drink while I'm up  
Drink until I fall  
I'm gonna drink while I'm up  
Drink until I fall  
If you tryin' to stop me drinkin  
Ain't saying nothing at all

Oh, hey bartender  
Bring another half a pint  
Oh, hey bartender  
Bring another half a pint  
Two or three more drinks  
I'm gonna raid this joint

Yes! I'm sloppy drunk again  
I don't care who knows  
Yeahow!
