B.B. King, So Excited

Oh, I'm so excited, think about you all the time Yes I can't wait to see you baby You really best of my mind You're so fine, wanna hold you all the time

Oh, when you touch me baby, tears of joy I'm crying Oh, when you hold me, chills run up and down my spine You're so fine, think about you all the time

Yes, I'm so excited, I met peace with the world Oh, can this love be real? I'm talking about my new, new love You're so fine baby, wanna love you all the time

Hey, I'm so excited, don't know what you're doing myself Oh, I'm so happy baby, don't need nobody else You're so fine baby, think about you all the time

Yes, when I look in your eyes, you put me in a trance Oh, I just shake all over baby, I feel like I wanna dance You're so fine baby, wanna hold you all the time

How can this be a dream, can this really happen to me? Oh, I surely loved at last, seems like a fantasy You're so fine baby, wanna hold you all the time

I thought I've been in love, so many many times Oh, but this new love, has really messed up my mind You're so fine, think about you all the time

You're so nice and lovin', everything you do is right I just can't wait, I can't wait baby Can't wait for you hold me tight You're so fine, wanna hold you all the time
