

# B.B. King, Some Day Somewhere

Well, now, when I first met you , darling  
You said you always would be mine  
Yes, when I first met you , baby  
You said you always would be mine  
Well, you did my heart in two, baby  
And keep me worried all the time

Well, now, some day, baby, baby, things are bound to change  
Yes, some day somewhere, darling, baby  
Things are bound to change  
Yes, your tears is gonna fall, baby  
Well, like midnight showers of rain

Well, now, goodbye, baby, I know we'll never meet again  
Yes, goodbye, goodbye, baby, baby, we'll never meet again  
Well, I want you to remember, darling  
Yes, I once tried to be your man
