B.B. King, Sweet Thing

When I first met you baby Honey you were almost out of school When I first met you baby Honey you were almost out of school You were real wild then woman Honey, but you were nobody's fool

I was so in love with you baby And I tried to get you to love me too I was so in love with you baby And I tried to get you to love me too I thought you had no time for me then woman Wouldn't do anything I asked to

Oh, sweet thing You are all I want to see Oh, sweet thing You are all I want to see I having so much trouble baby I wonder what's gonna happen to me
