B.B. King, Telephone Song

Woke up this morning I was all alone Saw your picture by the telephone I was missing you oh so bad Wish I had you here to hold All I've got is this touch-tone phone So I guess I'll give you a call

Operator help me please
Get thru to my baby way overseas
Time's wastin' oh so fast
Hello baby tell me is that you
I don't know what we're gonna do
But for now I'm glad I got you on the line

Well it feels so fine Knowing you're all right But you're miles away Lord it's not the same

Well I woke up this morning I was all alone Saw your picture by the telephone I've been missing you baby oh so bad I love you baby with all my might Come on home and squeeze me tight Long distance lovin's Gonna drive me out of my mind
