## B.B. King, That's How Much You Mean To Me

There ain't no road too rough to walk There ain't no talk too sweet to talk Wherever you are, it's where I'll be 'Cos that's how much you mean to me

All the money in the whole round world Wouldn't be enough for you, little girl Wish I could give you a money tree 'Cos that's how much you mean to me

A girl like you needs some loving Teasin', squeezin' and huggin' Step right up and take my hand I wanna be your great big hunk of man

Baby, I wanna have your picture To put it in my, my storybook While it out big so the world can see 'Cos that's how much you mean to me
