

# B.B. King, There Must Be A Better World Somewhere

Sometime I wonder, just what I'm prayin' for?  
I win the battle but I always lose the war  
I just keep right on stumblin' in this no-man land out there  
But I know, yes I know  
There must be a better world somewhere  
Flyin' high, some joker clips my wings  
Just because he gets a kick out of doing those kind of things  
I keep on fallin' in space or just hangin' in mid-air  
But I know, yes, I know  
There must be a better world somewhere  
Everybody I know, only love themselves  
Every woman I love, loves somebody else  
Every woman got a license to break my heart  
Every love affair is over before it gets a chance to start  
Everybody I know, only love themselves  
Every woman I love, loves somebody else  
Every woman got a license to break my heart  
Every love affair is over before it gets a chance to start  
If it ain't here, maybe in a year after  
Instead of tears, I'll learn all about laughter  
Meanwhile I'm stuck right here, Lord knows it just ain't fair  
But I know, yes I know  
There must be a better world somewhere  
I know, I know, yes  
(I know)  
There's gotta be a better world somewhere  
(Better world somewhere)  
I know, you know, they know  
(I know, yes I do)  
How come everybody else don't know?  
There's got to be a better world  
No, there's got to be a better world somewhere
