

# B.B. King, Tired Of Your Jive (From Blues Is King)

You're sittin' there lookin' proud  
Thinkin' you're so fine  
Tryin' to run around  
With every friend of mine  
Think you're so smart baby  
Think that I'm a fool  
Yeah, I'm gonna tell you baby  
You'd better play it cool

I'm tired of your jive  
Yeah baby I'm tired of your jive  
I refuse to be your fool mama  
Hey I'm tired of your jive

You think that I don't see  
what you do behind my back  
You think I outta love you baby  
No matter how you act  
You'll never miss your water baby  
Till the world goes dry  
I'm gonna tell you  
Gonna miss me, bye and bye

I'm tired of your jive  
Yeah baby I'm tired of your jive  
I refuse to be your fool mama  
Hey I'm tired of your jive

Sittin' there smilin'  
Like nothing's wrong  
I don't intend to pull your coat baby  
You'll know it when I'm gone  
You'll never miss your water baby  
Till the world runs goes dry  
Now I'm gonna tell you  
Gonna miss me, bye and bye

I'm tired of your jive  
Baby I'm tired of your jive  
Yes, I'm here to tell you woman  
Baby I'm tired of your jive
