B.B. King, Watch Yourself

Yes people are talkin' all over town They say you don't love me You gonna put me down You better watch yourself baby You better watch yourself You better watch yourself Cause I got my eyes on you

Now you tell me what's the matter What you gonna do First you say you love me Then you say we're through You better watch yourself baby Watch yourself You better watch yourself woman Cause I got my eyes on you

I gave you my money
Everything too
A big fat house
Now baby what you gonna do
You better watch yourself
You better watch yourself
You better watch yourself woman
Cause I got my eyes on you

Now you're gonna leave me Leave me here to cry Now you know I love you You're my whole heart's desire You better watch yourself baby You better watch yourself You better watch yourself woman Cause I got my eyes on you

Yes, yes baby! Yes, yes baby! Yes, yes baby! Yes, yes baby! Yes, yes baby!

You better watch yourself woman You better watch yourself You better watch yourself baby Cause I got my eyes on you
