## B.B. King, Whole Lot Of Lovin'

I got a whole lot of lovin' Baby just waiting for you I got a whole lot of lovin' Baby just waiting for you And the way I could love you woman Honey I know you could love me too

Oh you're so good lookin' baby And you build up from the ground Well you're so good lookin' baby And you build up from the ground Every time I see you baby My love starts tumbling down

Yeah, you're just my type baby Just my height and size Said you're just my type baby You're just my height and size And the reason I love you Because you've got those little dreamy eyes
