

B.B. King, Woke Up This Mornin' (My Baby's Gone)

I woke up this morning, my baby was gone
Woke up this morning, my baby was gone
I've been so bad, I'm all alone
I ain't got nobody stayin' home with me
I ain't got nobody stayin' home with me
My baby she's gone, I'm in misery
Well baby, I'm all alone
Yes baby, I'm all alone
I ain't had no lovin'
Since my baby's been gone
All right

Oh baby, I'm all alone
Oh baby, I'm all alone
My baby she's gone, I'm in misery
Oh baby, come on stay with me
Yes baby, come on stay with me
My baby she's gone, I'm in misery
Oh baby I'm all alone
Oh baby I'm all alone
I ain't had no lovin' since my baby been gone
