

# B.B. King, You Move Me So

I don't know what it is about you, baby  
That moves me so, it moves me so  
I don't know what it is about you, baby  
That moved me so, moved me so  
It might be your kisses or your warm embrace  
It might be the smile on your lovely face  
I don't know what it is about you, baby  
That moves me so, moved me so  
I don't know what it is about you, baby  
That moves me so, moves me so  
I don't know what it is about you, baby  
That moved me so, moved me so  
It could be the way that you say 'I love you'  
It could be the funny little things you do  
I don't know what it is about you, baby  
That moves me so, moved me so  
I don't know what it is about you, baby  
That moves me so, it moves me so  
I don't know what it is about you, baby  
That moved me so, moved me so  
you sip your tea  
The funny little way you make love to me  
I don't know what it is about you, baby  
That moves me so, oh, you move me  
You move me so, oh baby, you moved me so  
You move me so, you move me so  
Kill me, you move me so
