

B.B. King, You Never Know

Yeah, you never know how you hurt me, baby
How bad I feel inside
Oh, you never know how much you hurt me, woman
How bad I feel inside
I believed you when you said you loved me
Oh, but I know you lied

Oh, when I lay down in darkness
I keep hearin' your sweet voice
When I lay down in darkness, baby
I keep hearin' your sweet voice
And I remember you at church, woman, oh, and how I rejoice

I know the people are talkin', baby
But I don't care what they say
I realise that people talkin', baby
But I don't care what they say
I know I still love you, woman, and I want you home to stay

Yeah, if you ever change your mind, woman
Won't you please come on home
Oh, if you ever change your mind, baby
Won't you please come on home
Yes, I'm not good without you, baby
And you're not good to me gone
