

B.J. Thomas, Everybody Is Out Of Town

Where have the people gone
Seems like there's no one hanging on
Looked through the windows
The houses are empty
Hey.. everybody's out of town
Seems like, I'm the only one around
All of the streets are bare
No traffic tie up's anywhere
Don't have to wait for a seat at the movie
Hey everybody's out of town
Seems like I'm the only one around
Everyone's moved out from the getto
Lot's of space, empty apartments,
No more pollution, plenty of classroom
Every place
And it looks like were ready
Too give it one more try
This time they'll be no albi
I'm gonna send out a message to Noah
Hey.. better send some people down
Every one on earth, Is outta town
