

B.J. Thomas, I Believe In Music

I could just sit around makin' music all day long (yeah)
As long as I'm makin' my music
I know I can't do nobody no wrong
And who knows? Maybe I'll come up with a song (yeah)
And make people wanna stop their fussin' and fightin'
Long enough to sing a song

I-i-i, I believe in music
Whoa-oh-oh- I, I believe in love
Everybody knows
I-i-i, I believe in music
Whoa-oh-oh-oh I, yes I believe in love

Music is love and love is music if you know what I mean (yeah)
And people who believe in music
Are the happiest people I've ever seen
So clap your hands and stomp your feet
And shake your tambourine (yeah)
Lift your voices to the sky
God loves you when you sing

I-i-i, I believe in music
Whoah-oh-oh I, yes I believe in love
Everybody knows

Music is the universal language and love is the key
To brotherhood, peace and understandin'
Livin' in harmony
So take your brother by the hand
And sing along with me
And find out what it really means
To feel young, rich and free

Everybody now
I-i-i, I believe in music
Whoah-oh-oh-oh I, yes I believe in love
Everybody knows
I-i-i-i-i, I believe in music
Whoah-oh-oh-oh I-i-i-i, yes I believe in love
