

B. J. Thomas, Long Ago Tomorrow

Maybe I'll be the things I dream
And not the things I seem
Maybe I'll get to change the world
Before it changes me
And maybe my life
Will always be
Just as happy as it seems
Long ago tomorrow
Long ago tomorrow
Long ago tomorrow
In my dreams
Maybe I'll learn to face the truth
And like the truth I face
Maybe I'll get to find myself
Before I'm lost in space
And maybe your love
Will always be
Just as faithful as it seems
Long ago tomorrow
Long ago tomorrow
Long ago tomorrow
In my dreams
And maybe your love
Will always be
Just as faithful as it seems
Long ago tomorrow
Long ago tomorrow
Long ago tomorrow
In my dreams
And maybe my love
Will always be
