

# B. J. Thomas, Mighty Clouds Of Joy

Them old bad dreams  
Been sleeping in your bed  
And them old dark clouds  
Been hanging around your head  
But all your hard times  
Will vanish in the wind  
When the mighty clouds of joy  
Come rolling in  
Holy Jesus  
Let Your love seize us  
Oh, let us find sweet peace within  
Hallelujah  
Happiness begins  
When the mighty clouds of joy  
Come rolling in  
Those old storm clouds  
Are slowly drifting by  
And those old raindrops  
Are fading from your eyes  
Oh, Mr. Sun  
Will shine on us again  
When the mighty clouds of joy  
Come rolling in

Oh, Holy Jesus  
Let Your love seize us Jesus  
Oh, let us find sweet peace within  
Hallelujah  
Happiness begins  
When the mighty clouds of joy  
Come rolling in  
Oh, Holy Jesus  
Please let Your love seize us Jesus  
Oh, let us find sweet peace within  
Hallelujah  
Happiness begins  
When the mighty clouds of joy  
Come rolling in  
Oh, Holy Jesus  
Won't You let Your love seize us Jesus  
Oh, let us find sweet peace within  
Hallelujah  
Happiness begins  
When the mighty clouds of joy
