

# B. J. Thomas, New Looks From An Old Lover

Early this morning I opened my eyes  
And caught you watching me sleep  
I'm getting new looks from an old lover again  
I love you, I want you forever and always  
Was written all over your face  
I'm getting new looks from an old lover again  
It's such a good feeling  
Knowing I that I can still win what I've already won  
It's great to know we still can be lovers and friends  
It's such a good feeling  
Knowing it's better than I ever thought it could be  
Because of new looks from an old lover again  
I feel your fingers touching my body and mind  
As they brush through my hair  
I'm getting new looks from an old lover again  
And deep in your eyes I see the hunger  
That only true love can feed  
I'm getting new looks from an old lover again  
It's such a good feeling  
Knowing I that I can still win what I've already won  
It's great to know we still can be lovers and friends  
It's such a good feeling  
Knowing it's better than I ever thought it could be  
Because of new looks from an old lover again  
I love those new looks from an old lover again
