

B.o.B, Airplanes (feat. Hayley Williams)

Can we pretend that airplanes in the night sky are like shooting stars?
I could really use a wish right now, a wish right now, a wish right now
Can we pretend that airplanes in the night sky are like shooting stars?
I could really use a wish right now, a wish right now, a wish right now
I could use a dream or a Jeanie or a wish
To go back to a place much simpler than this
'Cause after all the partyin', and smashin', and crashin'
And all the glitz and glam and the fashion
And all the pandemonium and all the madness
There comes a time when you fade to the blackness
And when you're starin' at the phone in your lap
And you hopin' but them people never call you back
But that's just how the story unfolds
You get another hand soon after you fold
And when your plans unravel in the sand
What would you wish for if you had one chance?
So airplane, airplane sorry I'm late
I'm on my way, so don't close that gate
If I don't make that then I'll switch my flight and
I'll be right back at it by the end of the night
Can we pretend that airplanes in the night sky are like shooting stars?
I could really use a wish right now, a wish right now, a wish right now
Can we pretend that airplanes in the night sky are like shooting stars?
I could really use a wish right now, a wish right now, a wish right now
Yeah, somebody take me back to the days
Before this was a job before I got paid
Before it ever mattered what I had in my bank
Yeah, back when I was trying to get into the subway
And back when I was rappin' for the hell of it
But nowadays we rappin' to stay relevant
I'm guessing that if we could make some wishes out or airplanes
Then maybe oh maybe I'd go back to the days
Before the politics that we call the rap game
And back when ain't nobody listened to my mix tape
And back before when I tried to cover up my slang
But this is for the Decatur, what's up Bobby Ray
So can I get a wish to end the politics
And get back to the music that started this shit
So here I stand and then again I say
I'm hopin' we can make some wishes outa airplanes
Can we pretend that airplanes in the night sky are like shooting stars?
I could really use a wish right now, a wish right now, a wish right now
Can we pretend that airplanes in the night sky are like shooting stars?
I could really use a wish right now, a wish right now, a wish right now
Can we pretend that airplanes in the night sky are like shooting stars?
I could really use a wish right now, a wish right now, a wish right now
Can we pretend that airplanes in the night sky are like shooting stars?
I could really use a wish right now, a wish right now, a wish right now
I could really use a wish right now
I could really use a wish right now
Like, like, like shootin stars
I could really use a wish right now
A wish a wish right now
