# B.o.B, Out Of My Mind (feat. Nicki Minaj)

I'm, I'm, I'm, I'm I'm out of my, out of my mind Out of my fucking mind I'm, I'm out of my, out of my mind Out of my, yeah I'm out of my my my mind, out of my mind, mind, mind, mind, mind, mind, mind I'm out of my fucking mind Out of my fucking mind (mind, mind)

## [B.o.B:]

I'm out of my fucking mind, G-G-golly, oh my I was doing fine, once upon a time 'Til my brain left and it didn't say bye Don't look at me wrong; I'm out of my mind Like Nostradamus and da Vinci combined So paranoid of espionage I'm watching my doors and checking my blinds My brain is on vacation, they telling me

And I'm bi-polar to the severity And I need medication, apparently And some electrocompulsive therapy I am a rebel but yes I'm so militant Still I'm eligible for disabilities

I am psychotic but there is no remedy This is not figurative, this is literally

If these niggas go dumb, I go to the mental facility See, man I'm so out there, I slap fives with E.T

I don't need a feature, they don't want me to eat A La Carte when I'm on this beat If you feel the same as me, then you gotta agree

I'm, I'm, I'm, I'm I'm out of my, out of my mind Out of my fucking mind I'm, I'm out of my, out of my mind Out of my, yeah I'm out of my my my mind, out of my mind, mind, mind, mind, mind, mind, mind I'm out of my fucking mind Out of my fucking mind (mind, mind)

#### [Nicki Minaj:]

Can we pretend that airplanes in the night skies

Are like shooting stars?

Well, you gon really need a wish right now

When my goons come through and start shooting stars

You know, I'm all about shoes and cars

I'm kinda drunk off booze Bacardi

I told Baby when I get my new advance

You know, I graduated summa cum laude

That's why they thinking I'm Illuminati

And matter fact, let's kiss and make-up

I'll help you escape on my blue Ducati

[B.o.B:]
I'm out of it
I can't seem to come out of it
What's going on inside of my head?
It feels like I'm being John Malkovich
Ladies and gentlemen, please turn it down a bit
There's an announcement, I like to announce (It...)
Wait, how am I'm suppose to pronounce this shit?

### [B.o.B:]

I don't need a sub, I don't need a speaker
Cause a nigga bring the noise like an onomatopoeia
Leave him in the dust, all he see is my Adidas
Na na na na boo boo, wouldn't want to be ya
Never turnin' back, how you think I got here?
And I'm never slowing down, fuck was that a deer?
If you got a problem, step to the office
Matter fact, never mind, talk to the Kiosk, Biatch
You have no idea
That's why they call me B dot been a maniac ever since

That's why they call me B dot been a maniac ever since I was knee-high Man I swear to God I need help, someone call Charter, maybe call FEMA Cause I got to be crazy or outta my mind to have this many stamps on my VISA

I'm, I'm, I'm, I'm
I'm out of my, out of my mind
Out of my fucking mind
I'm, I'm out of my, out of my mind
Out of my, yeah
I'm out of my my my mind, out of my mind, mind, mind, mind, mind
I'm out of my fucking mind
Out of my fucking mind (mind, mind)
