

# B\*Witched, Fly Away

Oooooohhhh  
Fly Away

Baby I would stay  
Here in the shadow of doubt  
Baby please don't cry  
Cause I will be here by your side

Lead me to a distant land  
Baby won't you take my hand (and we will)

Fly away  
Do da du da do do doo  
Fly away  
Who knows what we will see  
Oh fly away  
Do da du du do do doo  
Fly away  
To where we wanna be

You and I today  
And open my eyes to the light  
I will see you there  
Together forever so right

Lead me to a distant land  
Baby won't you take my hand (and we will)

Fly away  
Do da du da do do doo  
Fly away  
Who knows what we will see  
Oh fly away  
Do da du du do do doo  
Fly away  
To where we wanna be

Fly away  
ooooooohhhh Fly away  
Fly  
Do da du du do do doo Fly away  
Who knows what we will see  
Oh Fly away  
Do da du du do do doo  
Fly
