

B*Witched, Get Happy

Yeah

Don't be a brontosaurus
Don't you ever walk that way
It's the right thing to do
Just doing what you do
Tell me you're tired of hanging around
And dreaming your life away
We've got the feeling of Saturday night
So c'mon, let's hear you sa-ay

Everybody gather round
Don't you know what we have found
Oh-oh, everybody get happy
A,B,C
Count me in with 1 2 3
Oh-oh, everybody get happy

Knickerbocker glory
So tell me what's the story
So keep the bad vibes well away
Wha-tcha gonna do-o?
Kickin' off with something new
Tell me you're tired of hanging around
And dreaming your life away
We've got the feeling of Saturday night
So c'mon, let's hear you sa-ay

Everybody gather round
Don't you know what we have found?
Oh-oh, everybody get happy
A, B, C
Count me in with 1 2 3
Oh-oh, everybody get happy

Oh-e-oh
Oh-e-aaaay
Oh-e-oh
Come on!

Oh-oh, everybody get happy
1 2 3!
Count me in, yeah!
Oh-oh, everybody get happy
All right! Everybody get happy!
