

# B2K, Dance With You (Extended Remix) (Solange)

Intro

J-Boog (B2K): Uh, yo, sing it, uh

Solange: Doo, doo, too, too, too, too

Verse 1 - Solange

I've been watching from across the room,

Thinking how I want to dance with you.

See you moving on the dance floor,

Makes me wanna dance with you even more.

I like your style, you're so confident,

All the haters call you "arrogant";.

I don't care if what they say is true,

'Cause all I want to do is dance with you.

Chorus - Solange

I see you checking me

And I'm looking at you so

No matter who approaches first

Just make a move 'cause

On the floor you got it,

I got it to

I wanna dance with you

Dance with you

Verse 2 - Omarion [B2K]

Girl it's funny you are feelin' me

'Cause in my mind I'm thinking the same thing.

How I want to move and dance with you

To intimidated to approach you.

I like your vibe, so baby girl what's up

All the chickens heads claim that you're stuck up.

I don't care if what they say is true,

'Cause all I want to do is dance with you.

Chorus - Solange + Omarion

J-Boog: Uh, yeah.

Da, da, da, da, da, da

What, Solange, yeah.

Solange: You're trying, you're trying.

J-Boog: Dance with me, C'mon

Rap - Lil' Fizz

It's the same little cats who came to rock your world

Its amazing what I do to this little girl.

Got them leaving their boyfriends the talk around school

You ain't never met a 15-year-old guy this cool.

Come on ma roll with me I'll make your life better

Not pressuring you I know you wanna claim this

Poked in the party ma singing off key.

Oh, off key

Solange: Make a move!

Verse 3 - Eric Lee

You and me, we're dancing all the night

Dancing with you makes me feel all right

Watching you doin' your little freaky thing

The way you move, girl, you make me wanna sing

I can't help it, must be the way you walk

Or maybe it's just the way you talk

But all I know what I wanna do

Is I wanna dance the night with you

Chorus - Solange, Omarion and J-Boog
