Just copped a bently and its parked in my garage  
a 2 o clock appointment for my massage  
and everywhere they go they know just who we are  
there they go, its them ghetto superstars

[R Kelly]

The latest grow backs are the ones on my feet  
so girl watch yourself i'm tryin ta keep em clean  
all of our girlies go from black to japenese  
but yea there's still just one thing that i need

girlfriend [x8]

I know ya'll out there in ya'll cars and jeeps

[Lil' Fizz Rap]

Chillin at my homies

its about that time

shorty with a man i'm bout ta make her mine

She look at Fizz like a man that shine

oh it ain't no doubt we gonna bump and grind

i see this girl eyeing me my body is shining

it's just a matter of time befo (gasp) mine

din't eva chase her cuz i got so much paper

that dey all up in me

i got a fat excursion thats about a block long

and a fat crib thats about a block long

these bunnies in the mirror just followin the chrome

yea they wanna get with the rapper that sings songs

i got the po po's

followin the limo

sure i'm somewhere in the van chillin with this hunnie

and plus i got this thick chick feelin on me

but i'd sure love to see her hips role for me
