

B2K, Girlfriend (Take 2)

I got everything I want in my life except a girlfriend
Just copped a Bentley and it's parked in my garage
A 2 o'clock appointment for my massage
And everywhere we go they know just who we are
There they go, it's them ghetto superstars
The latest throwbacks and them ones on my feet
Get out the Benz and then I'm off up the jeep
Take your friends with chicks that look like 'Licia Keys
All of that I'm still missing one thing
A girlfriend, girlfriend
(Everything I wanted)
I need a girlfriend, girlfriend
(And everything that I)
A girlfriend, girlfriend
(Would you be my)
Would you be my girlfriend? Girlfriend
We hit the mall, I buy you Prada, Nike suits
I'm being pampered while I'm chillin' by the pool
From the show to the limo to the club
Hands in the air showin' nothin' but some love
Got plenty clothes, plenty ice, plenty cash
I'm pretty swol, pretty abs, pretty shh
I got every single thing that I need
Except for a main squeeze
I need a girlfriend, girlfriend
(Girlfriend)
I need a girlfriend, girlfriend
(I need, I need)
A girlfriend, girlfriend
(A girlfriend)
(Would you be my girlfriend?)
Would you be my girlfriend? Girlfriend
Check 1, 2
Alright, alright we got B2K up in this piece
(Tell me who's gonna be my girlfriend)
And we need all the ladies out there lookin' for a nice fella
To get up out ya seat c'mon
(And who out there needs a real man)
Put ya hands up y'all, put yo hands up
(And who's gonna ride or die for me)
Yeah, whose gonna be that ride or die chick for me tonight
(Who's gonna give B2K what they need)
I need a thick with big hips that's just my motivation
No more game preparation, this is pimperation
She must be ready and steady for a romance session
I'm talkin' willin' to learn a Lil Fizz lesson
Now she playin' it again and now we argurin'
Talkin' girls, talk mess and tellin' all her friends
But I seen this new chick tonight
And I'ma make her my girlfriend, my girlfriend
I need a girlfriend, girlfriend
(Someone for me)
I need a girlfriend, girlfriend
(That is all I need)
A girlfriend, girlfriend
(In my life)
Would you be my girlfriend? Girlfriend
(I need a)
A girlfriend, girlfriend
(Someone to call my own)
I need a girlfriend, girlfriend
(Spend some money on)
(And I'm gonna take her out)
A girlfriend, girlfriend

(To show her what I'm all about, yeah)
Would you be my girlfriend? Girlfriend
