My First Christmas"(feat. IMX

My first Christmas

Santa will be coming to my town

And it will be his first time

I wish for this day

Since I was just a little boy

And now its here

And it fills so good to say

Merry Christmas to all of you all

I wonder how its gonna feel

[Chorus (2)]

To have my first Christmas

My First Christmas Time

So beatiful

So special to me

All my family

Gift under my Tree

My First Christmas

Jingle Bells will ring

The Birds Will sing

Of what a joy i will bring

Never thought I'd see the day

That santa will bring christmas my way

But it's here

and it feels so good to say

Merry Christmas to all of you you you and you

I Wonder how its Gonna Feel

[Chorus (2)]

[Rap Romeo]

There's so much for my family

I'm breaking my neck just to get to the tree

Trying to see what my mom and dad got for me

The Big body Benz on 23s

TV's in the back with DVD's

Mama in the house cookin' collards greens

Turkey with the ham and the mac 'n cheese

[Chorus (3)]
