Verse 1

Baby look im tired of tryin
to convince you that I aint' cought up lyin
when she walked past me i looked so what big deal
i dont understand how that can make you feel,
that my love aint for real

Everyday i thank the Lord above that your with me
tell me why would i go that way?
What can i do to prove that this is where i wanna be
though i may look occasionally
you're the only one I need

Chorus

If i wanted that girl
then i would be with that girl
but that one aint for me
she's fine as hell but she'll always be that girl
and nothin more than that girl
no matter what she do she dont compare to you
