We can walk through tha mall while I hold ya hips
Or you can hang out tha drop while I'm pushin' tha whip
Take you on a ride you will never forget
Runnin' home, tellin' your friends, Lil' Fizz is it
Got ya hooked by tha way that I lick my lips
An' I got many dimes, I ain't sweatin' dis chick
Yo, I run these girls from coast to coast
Dropin' game so sick, I got 'em doin' tha most
