Where Did We Go Wrong

Yeah Platinum Status,
B2k, Dave Mac,
We gon bump your speakers with this one,
yeah.....uh,
ya'll know,
its b2k,

wanna tell ya'll bout this girl,
i dont think she had it all,
cause she had it all with me but she left,
now she got nothing,
and if you still dont understand,
raz talk to 'em,

(verse 1)

you was always trippin,
for no reason (as in there was something on your mind)
so when i asked you,
what was wrong (you carried on like we were fine)
and then one day,
you up and leave (like i forced you not to be with me)
you and i both know,
whats really going on (thats why we broke up over the phone)

Hey girl,
you didnt have to ever leave,
you chose,
to pull yourself away from me,
and i know,
you wanna see jealousy,
im not that man,

Can i ask this question why,
we argue over,
stupid little things,
we aint together,
why we cant be friends, (why we)
instead of fighting,
where did we go wrong,
where did we go wrong,

Can i ask this question why,
we argue over, (oh yeah)
stupid little things,
we aint together, (oh yeah)
why we cant be friends, (hey)
instead of fighting,
where did we go wrong,
where did we go wrong,

verse 2

I was your man,
you was my girl (the relationship lasted too long)
for you to just walk out without a sign (tell me where did we go wrong)
i sat thinking, were you ever creeping (cause you shook so fast you never know)
what were you doing when i was away from you

Hey girl,
you didnt have to ever leave,
you chose,
to pull yourself away from me,
and i know,

you wanna see jealousy,
im not that man,

Can i ask this question why,
we argue over,
stupid little things,
we aint together,(ooh hey)
why we cant be friends,
instead of fighting,
where did we go wrong, (why we)
where did we go wrong,(why)

Can i ask this question why,
we argue over,(oooh)
stupid little things,
we aint together, (a silly little game)
why we cant be friends,
instead of fighting,(why we cant be friends)
where did we go wrong,
where did we go wrong,

Hey girl,
you didnt have to ever leave,(oooohh)
you chose,
to pull yourself away from me,(uuoooohh)
and i know,
you wanna see jealousy,
(but im not that man,)

Hey girl,
