See a man cant ever

why do I deal with you

said Ima crazy fool

and to stay away from you

I dissed my family

just to get next to you

I bougt your cell phone

cant even talk to you

all a brotha want for Christmas

is to have you right back in my life

(Repeat Chourus)

J-Boogs Talk

I mean why

why'd you have to leave

put the gifts under the tree

dissed my family

I mean why

Baby I had the mistletoe over the door waiting for you

Why'd you have to go

Please come back

I dont Know what to do

If I had one wish for Christmas

it would be to have you back in my life

(Reapet chourus until end of song)
