

# B2K, Why I Love You

I love you  
Check this out  
From day one you and I've been friends  
Hangin out, havin fun, chillin  
Now I know at times I got crazy  
Silly ways and actin shady  
Check this out  
You peep things in me no one sees  
You hold it down for sheezy  
Now I have friends I thought were true  
But no one more true than you  
So what am I gonna do  
It took a while for me to see  
How special you've treated me  
Maybe that's the reason why I love you  
You're my heart, girl  
And with all the crazy things that I do  
You're still here, girl  
No one else can make me feel like you do  
You've shared my world  
Baby, that's the reason why I love you  
No other girl is quite like you  
And no one has my back like you do  
Girl, you're one of a kind  
And you blow my mind  
And I'm glad to say you're mine  
Girl, you're the one that changed me  
From a boy into a man, yeah, yeah, yeah  
Maybe that's the reason why I love you  
You're my heart, girl  
And with all the crazy things that I do  
You're still here, girl  
No one else can make me feel like you do  
You've shared my world  
Baby, that's the reason why I love you  
It took a while for me to see  
How special you've treated me  
Maybe that's the reason why I love you  
You're my heart, girl  
And with all the crazy things that I do  
You're still here, girl  
No one else can make me feel like you do  
You've shared my world  
Baby, that's the reason why I love you  
Maybe that's the reason why I love you  
You're my heart, girl  
And with all the crazy things that I do  
You're still here, girl  
No one else can make me feel like you do  
You've shared my world  
Baby, that's the reason why I love you  
I love you
