

B2K, Why I Love You

I love you
Check this out
From day one you and I've been friends
Hangin out, havin fun, chillin
Now I know at times I got crazy
Silly ways and actin shady
Check this out
You peep things in me no one sees
You hold it down for sheezy
Now I have friends I thought were true
But no one more true than you
So what am I gonna do
It took a while for me to see
How special you've treated me
Maybe that's the reason why I love you
You're my heart, girl
And with all the crazy things that I do
You're still here, girl
No one else can make me feel like you do
You've shared my world
Baby, that's the reason why I love you
No other girl is quite like you
And no one has my back like you do
Girl, you're one of a kind
And you blow my mind
And I'm glad to say you're mine
Girl, you're the one that changed me
From a boy into a man, yeah, yeah, yeah
Maybe that's the reason why I love you
You're my heart, girl
And with all the crazy things that I do
You're still here, girl
No one else can make me feel like you do
You've shared my world
Baby, that's the reason why I love you
It took a while for me to see
How special you've treated me
Maybe that's the reason why I love you
You're my heart, girl
And with all the crazy things that I do
You're still here, girl
No one else can make me feel like you do
You've shared my world
Baby, that's the reason why I love you
Maybe that's the reason why I love you
You're my heart, girl
And with all the crazy things that I do
You're still here, girl
No one else can make me feel like you do
You've shared my world
Baby, that's the reason why I love you
I love you
Baby, that's the reason why I love you
