

# B3, Night fever

Listen to the ground  
There is movement all around  
There is something goin' down  
And I can feel it  
On the waves of the air  
There is dancin' out there  
If it's somethin' we can share  
We can steal it  
And that sweet city woman  
She moves through the light  
Controlling my mind and my soul  
When you reach out for me  
Yeah, and the feelin' is bright  
Chorus:  
Then I get night fever, night fever  
We know how to do it  
Gimme that night fever, night fever  
We know how to show it  
Here I am  
Prayin' for this moment to last  
Livin' on the music so fine  
Borne on the wind  
Makin' it mine  
Repeat chorus  
In the heat of our love  
Don't need no help for us to make it  
Gimme just enough to take us to the mornin'  
I got fire in my mind  
I got higher in my walkin'  
And I'm glowin' in the dark  
I give you warnin'  
And that sweet city woman  
She moves through the light  
Controlling my mind and my soul  
When you reach out for me  
Yeah, and the feelin' is bright  
Repeat chorus  
Here I am  
Prayin' for this moment to last  
Livin' on the music so fine  
Borne on the wind  
Makin' it mine  
Nightfever, nightfever  
We know how to do it  
(I give you everythin' you wanna know)  
Gimme that nightfever, nightfever  
We know how to show it  
(I give you everythin' you wanna know)  
Nightfever, nightfever  
We know how to do it  
(I give you everythin' you wanna know)  
Gimme that nightfever, nightfever  
We know how to show it  
(I give you everythin' you wanna know)  
Repeat chorus
