

# B5, Dance For U

Ladies and gentlemen

We have some new stars in the house tonight

They comin' straight off the bad boy tour

Their name is B5

They came to dance for you

Talk to 'em

Can I talk to you?

Baby, I'm feelin' your style, your smile

Your everything, I wanna rock with you

You're just the type I like, shorty

Come and tell me what's your name

When I first saw you, I was caught in a trance

Girl, you make me wanna dance

Can we take it to the floor?

You have no idea what I have in store

I wanna take you where you never been before

Give you what you been missin'

I have the feelin' that I know that you need

I know you need that feelin'

And when I dance for you ain't nothing gonna stop me

No, no, no, 'cause I know what you want

I know what you wanna see

This is what you want

This is what you been waitin' on

Let me take you to the floor

Come on

Oh, baby girl, let me dance for you

Oh, let me show you how I can move

Oh, I can do some things for you

Oh, you never thought that I could do

Oh, baby girl, let me dance for you

Oh, let me show you how I can move

Oh, your style is crazy, so amazing

Baby, come here, let me dance for you

Lil' mama, come on, watch me dance

Watch me do a flip with no hands

Watch me almost jump out my pants

See the look on the face of the fans

When I finish watch them clap there hands

All I'm askin' is, baby, can I have the chance

To show you where my skills are at?

What I wanna give, what you never seen in the past

It's somethin' that you never had, ain't no need for stress

Baby, you can just relax, no ties, we can just be friends

Can we take it to the floor?

You have no idea what I have in store

I wanna take you where you never been before

Give you what you been missin'

I have the feelin' that I know that you need

I know you need that feelin'

And when I dance for you ain't nothing gonna stop me

No, no, no, 'cause I know what you want

I know what you wanna see

This is what you want

This is what you been waitin' on

Let me take you to the floor

Come on

Oh, baby girl, let me dance for you

Oh, let me show you how I can move

Oh, I can do some things for you

Baby, come here, let me dance for you  
Lil' mama, come on watch me dance  
Watch me do a flip with no hands  
Watch me almost jump out my pants  
See the look on the face of my fans  
When I finish watch them clap their hands  
All it takes is a glance  
Have 'em thinkin' that they  
Found romance  
Have 'em screamin', runnin' out of the stands  
They chasin' me  
All imaginin' that I'm they man  
But it's for you that I wanna dance, talk to me  
Oh, baby girl, let me dance for you  
Oh, let me show you how I can move  
Oh, I can do some things for you  
Oh, you never thought that I could do  
Oh, baby girl, let me dance for you  
Oh, let me show you how I can move  
Oh, your style is crazy, so amazing  
Baby, come here, let me dance for you  
Oh, baby girl, let me dance for you  
Oh, let me show you how I can move  
Oh, I can do some things for you  
Oh, you never thought that I could do  
Oh, baby girl, let me dance for you  
Oh, let me show you how I can move  
Oh, your style is crazy, so amazing  
Baby, come here, let me dance for you
