

# B5, No One Else

[Bryan]

When we turn out the lights  
The two of us alone together  
Somethings just not right  
But girl you know that i would never,  
ever let anothers touch come between the two of us,  
cuz no-one else will ever take your place.

[Chorus]

No one else comes close, to you  
No one makes me feel the way you do  
You're so special girl, to me  
And you'll always be, eternally  
Everytime I hold, you near  
You always say the words I love to hear  
Girl with just one touch,  
You could do so much  
No one else comes close

[Carnell]

And when I wake up to, the touch of your head on my shoulder  
You're my dream come true, yeah  
Oh girl, you know I'll always treasure, every kiss, every day  
I love you girl in every way  
And I always will cuz in my eyes.

[Chorus]

No one else comes close to you  
No one makes me feel the way you do  
You're so special girl, to me  
And you'll always be, eternally babe  
And everytime I hold u near  
You always say the words  
I love to hear, babe  
Girl with just one touch you can do so much  
No one else comes close  
Nooo, oh girl,  
No one else comes close.
