

B5, She Got It Like That

Don't Talk, Just Listen

[Kelly]

Yo, have u ever thought about being with me?
Naw, i dont being wit be like just being wit me
I mean that as in something thats yours
& nobody else on this earth can touch
& nobody else can match the feelings that u have for me
& the love that we share, is so undeniable
Cuz this is how i feel about you
Yea

[Chorus]

My lady u know i love her
Nothin else in this world that comes before her
Cuz shes my favorite girl i keep her laid so properly
& yet i let her push the ride cuz she ride for me
My lady i, i, i love her
Ill be textin her early before she wake up
When we fight im the 1st one tryna make up
Neva gonna break up
Shes my all shes my everything
My girl u know shes got it like that

[Patrick]

1st thing in the morning ill be texting her phone
Tryna check up on my lady
Try to see just what shes on
(see just what shes on)
Cuz i got something planned today
Baby gon get fly right away
Cuz my drivers on his waay

[Pre-Chorus]

1st up baby we gon hit the mall
& shawty if u wanna we can buy it all
Cuz theres no limit when it comes to lacing u
Ill do whatever it take to please you, oh

[Chorus]

My lady u know i love her
Nothin else in this world that comes before her
Cuz shes my favorite girl i keep her laid so properly
& yet i let her push the ride cuz she ride for me
My lady i, i, i love her
Ill be textin her early before she wake up
When we fight im the 1st one tryna make up
Neva gonna break up
Shes my all shes my everything
My girl u know shes got it like that

[Patrick]

Girl your so amazing in everything u do
Cuz even when im down u always get me through, ha
(ya always get me through)
Cuz u dont trip when im on the phone
Or when im rushin off the phone
Its so incredible
Baby taking trips whenever u wanna dip
Cuz thats the least that i can do for u girl
(its the least that i can do)
& ill neva quit she deserves every bit of it
& if i could i would give her the world, oh

[Chorus]

My lady u know i love her (i,i,i)
Nothin else in this world that comes before her
(nothin comes before my ba-by)
Cuz shes my favorite girl i keep her laid so properly (so properly)
& yet i let her push the ride cuz she ride for me
(cuz she ride for me)
My lady i,i,i love her (love her)
Ill be textin her early before she wake up
(early before she wake up)
When we fight im the 1st one tryna make up
(1st one)
Neva gonna break up
(oh noo,yea)
Shes my all shes my everything
My girl u know shes got it like that

[Bridge]

See u mean everything to me
Cant afford to let u go
I wont stand without u here beside me
U bring out the best in me
Thats why i gotta let u know
That for u girl id give anything
Girl no matter what (oh)
I would loose it all (oh)
If it could be the cause of me losing u
Yea theres nothing id eva brought before my girl
Cuz the love that we've got is true,oh!

[Chorus]

My lady u know i love her
(u know i love her)
Nothin else in this world that comes before her
(nothin else before my ba-by)
Cuz shes my favorite girl i keep her laid so properly (properly,yea)
& yet i let her push the ride cuz she ride for me
(push the ride)
My lady i,i,i love her
(so looove her)
Ill be textin her early before she wake up (oh)
When we fight im the 1st one tryna make up
(1st one oh)
Neva gonna break up (oh yea)
Shes my all shes my everything
My girl u know shes got it like that
(got it like that)
