

# Baal, Other Life

You will be able to see the shine of its light approaching the fullness of this moment and without ab  
Clouds moving by like a velvet challenging the power of the wind.  
The moon rays highlight the forms of the night. Meanwhile my soul understand the mystery of the C  
Surrounded by millions of lives blind to the infinity or its intelligence.  
When they finally decide to speak we wont have another resort but to assent.  
Maybe theres other life ..
