

Babbie Mason, Jubilate

Chorus:

Jubilate! Shout for joy

Everybody be glad

Raise your voice and make a joyful noise

Jubilate! Shout for joy

The time has come for a celebration

Don't you feel the anticipation

People have gathered from far and near

There's a reason to sing, for God is here

The sound of worship is like no other

Lift your heart and delight the Father

With psalms and hymns and our spiritual songs

Let the praise go on and on

Hallelujah

How good and how pleasant

Hallelujah

Praise the God of earth and heaven
