

# Babbie Mason, Love Is The More Excellent Way

## Verse 1

I could speak with the tongue of men and angels  
Love is the more excellent way  
But if I don't have love, I'm just a clanging cymbal  
Love is the more excellent way  
I could have the faith to remove the mountains  
Love is the more excellent way  
But if I don't have love then I have nothing  
Love is the more excellent way

## Chorus

Love is patient, Love is kind  
Love is Humble, all of the time  
Not easily angered, enduring the test  
So never forget  
Love is the more excellent way (unison)

## Verse 2

I could have the gift of prophecy  
Love is the more excellent way  
But if I don't have love, does it profit me?  
Love is the more excellent way  
I could understand all my mystery  
Love is the more excellent way  
But if I don't have love it's not enough you see  
Love is the more excellent way

## Verse 3

I could throw my body into the flames  
Love is the more excellent way  
But if I don't have love, I don't have anything  
Love is the more excellent way  
I could give to the poor everything I own  
Love is the more excellent way  
But a heart without love is just a heart of stone  
Love is the more excellent way

Love is the more excellent way (unison) (3x)
