

Babbie Mason, Your For Always

As long as there's a heaven a way up high
As long as the stars light up the midnight sky
As long as forever is a long long time
I want you to know Lord, my heart is yours for always (Yes it is, Yes it is Jesus)

As long as the waves keep rolling out to sea
As long as the sky is blue and grass is green
As long as there are words and there are melodies
I want you to know Lord, my heart is yours for always

There is no other God who is like you
There is no other God beside you
There is no other God above you
Oh not for me Lord, I love you so

My heart is yours
There's no God who is like you
There is no other God beside you
There is no other God above you
Oh not for me Lord, I love you so

As long as you are Lord of Lords and King of Kings
As long as you are worthy of the praise I bring
Forever and forever and eternity
I want you to know, my heart is yours for always

Oh I want you to know Jesus, my heart is yours for always.

Yes it is, Yes it is Jesus

My heart is yours, forever and ever.

Oh I want you to know Jesus, yeah

I love you Jesus
