Babes In Toyland

Fontanelle

Handsome & Gretel

Gretel said I know what's in your head

I vacuumed out my head

I know you're feeling bad

You fucking bitch you cunthole bitch

I thought she meant it yeah

She really jacked my head

She went and done it

Handsome Gretel

My name is Gretel yeah

I've got a crotch that talks

It talks to all the cocks

It's been 12 city blocks you fuckin bitch

Gretel said "Oh you feel so bad

I know you feel so bad"

I thought she meant it

I vacuumed out my head

Jumping from bed to bed

My name is Gretel

A soul of metal

My name is Gretel

I've got a sloppy slut

Say violets hang around with toilets and look smack at us and symbolize everything that is disgust and mistrust

Licorice eyes pin me down thighs

Asphixid

My thighs are vices

He is a stupid man

I love him all I can you fucking bitch

Addle girl

She pulls out all her curls

She is a stupid crotch

That spans 12 city blocks
