

# Baby Animals, Bupata

Wave if you want me to notice you  
Stop if you have someone else  
It could be a good thing  
Might be a bad thing  
But you can't put your arms around a memory  
Break my, break my heart  
I wish, ooh, I wish you would  
You've had time to waste, time to wonder  
Time to become someone else  
Looks could kill me,  
Lies they don't pretend  
You want to remember  
But you can't put your arms around a memory  
Break my, break my heart  
Oh, I wish you would  
Wasted waiting, just as white ain't black  
Like trying to get you baby, ooh yeah
