Baby Animals, Rush You

Love is no fun anymore There's too many things I can't afford So what do you mean when you say That she's your girlfriend today

I wouldn't ever wanna rush you Don't want to lose you I'd never fuss you But I love a love a love you Don't wanna lose you I'd never fuss you But I love a love a love you

Love's not beating down on my door I guess it's cause ooh, I got lucky, lucky before

I wouldn't ever wanna rush you Don't want to lose you I'd never fuss you But I love a love a love you Don't wanna lose you I'd never fuss you But I love a love a love you

Wealth is boring without happiness Fame is notorious for causing stress Health is for binging on in between drinks Money over matter for the rich in minks

I wouldn't ever wanna rush you Don't want to lose you I'd never fuss you But I love a love a love you Don't wanna lose you I'd never fuss you But I love a love a love you

Never wanna rush you Don't want to lose you I'd never fuss you But I love a love a love you Don't wanna lose you I'd never fuss you But I love a love a love you
