

# Baby Animals, Stoopid

(DeMarchi/Parise)

You had a little skull  
Where all the silly thoughts would run  
They started heading south  
Went down and came out your mouth  
You say some stupid things  
Some very stupid things  
But you hit your head  
think you're a little dead  
Stand back a little more  
So you can see what's around you  
They're coming through your door  
Like before with a strait jacket  
You say some stupid things  
Some very stupid things  
But you hit your head  
Think you're a little dead  
Hey Yeh Yeh  
You felt numb from all the drugs  
They made you numb  
They shot you from the hip  
And tied you up for madness  
You say some stupid things  
Some very stupid things  
But you hit your head  
Think you're a little dead  
Hey Yeh Yeh  
You say some stupid things  
Some very stupid things  
But you hit your head  
Think you're a little dead  
You say some stupid things  
Some very stupid things  
But you hit your head  
Think you're a little dead  
Hey Yeh Yeh
